

Vudor Porch Shades

Every Shade Equipped with Vudor Safety Wind Device

Vudor Porch Shades are Indelibly Stained in Pleasing Shades Olive, Dark Green, Dark Brown, Mottled Olive Green, Dark Brown Alternated with Tan, Dark Brown Alternated with Mottled Olive Green.

The colors harmonize with the color scheme of your house and will withstand the action of the weather. Vudor Porch Shades retain their newness for many seasons.

Vudor Shades are never painted nor dipped. Painted shades are objectionable, as they make a porch very hot. The painted surface absorbs the heat, instead of repelling it. The stained surface of Vudors does not reflect the sun's rays and keeps the porch shady and cool when outside it is "sizzlingly" hot.

All Vudor Porch Shades are re-enforced at both edges and the wider shades, in the center with double warps. This enormously increases their durability.

All Vudor Porch Shades have a full drop of eight feet when in use. Other advertised shades are six inches shorter.

FARE-REFUNDING SALE OF BARRE

MERCHANTS STARTS OFF WELL

Large Number of Out-of-Town People Attracted to Barre Saturday, Despite the Weather Conditions—Visitors from Far and Near Make Purchases and Have Car Fares Refunded.

Saturday was the first day of the big fare-refunding sale which Barre merchants are conducting for seven days, ending Saturday of this week. The response to the fare-refunding sale announcements in The Times was quick and generous. Many people from surrounding places came to Barre Saturday and put in a day shopping among the merchants. From the record of the fare slips turned in at The Times office the first day of the sale, it is evident that the purchasers came from far and near and that the fare-refunding week sale is going to prove a decided success.

The first slip turned in was that of Mrs. Josephine Morin of Westerville at 8:45 in the morning, and the last one for the day was that of F. C. Brown of South Ryegate, at 9:45 Saturday evening. The first day of the sale showed the great interest out-of-town people are taking in this event, and that they intend to take advantage of it in large numbers before the week is over. The long list of Barre merchants who are co-operating in this fare-refunding sale offers an unusual opportunity to out-of-town purchasers during this week. Almost every store in the city is represented, and all are offering special inducements to please their out-of-town customers. Everyone who possibly can should come to Barre this week early, to avail themselves of the extra values offered.

Call 152-W for furniture moving and heavy trucking by auto truck at reasonable rates. Vermont Trucking & Sales Co.

Out of town business visitors in the city Saturday were B. A. Goodrich of Clebsco, Van Carpenter of Brookfield, C. Constant of Wells River and J. E. Bushy of Northfield.

Rain invaded both ball yards again Saturday and for the third successive Saturday all attempts to play the national pastime were abandoned. Giddard players, slated to meet the Italian A. C. hung up their bats for the season when Coach Hoernle announced at 1 o'clock that the game was off. Early in the forenoon the Barre A. C. management wired the Center Rutland team not to come to Barre on account of wet ground.

Barre granite was used in a notable soldiers' monument dedicated before a large crowd in Goffstown, N. H., Saturday. The entire monument, including the heroic figure of a soldier which crowns the column, is of Barre granite and observers have described it as one of the finest memorials of its kind in New Hampshire. The following inscription appears on the first die, "In the memory of the men of Goffstown who served as soldiers and sailors in all American wars—erected in honor of Captain Charles Stinson by his grandson, Henry W. Parker, 1916." A newspaper account of the dedication states that hundreds of people from all parts of New Hampshire gathered in Goffstown for the ceremony.

Charles L. Hoernle of the seminary faculty has been signed to play the summer baseball season through with the St. Johnsbury independent team. Coach Hoernle was with the Caledonia county aggregation last year and his work was so satisfactory that he was offered a contract for 1916 early in the winter. After taking the offer under advisement, the coach decided to accept with the condition that he be permitted to use a number of his fastest seminary men on the team. Accordingly when he journeyed to the Lily White town July 1, he will have with him, Connor, Tommie Davidson, Shea, Keefe, Faulkner and Berry. A number of Giddard players, including Mr. Hoernle, will go to Boston this week to meet Lewton Watt, formerly of the seminary, who is now with the Philadelphia Athletics.
